NOTICE OF PUBLIC ENGAGEMENT
August 1, 2025 to August 29, 2025
Municipal Right of Way By-law 2025-###

Dear Residents,

The Town is seeking your input on a proposed by-law concerning the use and regulation of **Municipal Right-of-Ways**.

Currently, the Town does not have a specific by-law in place to regulate activities within the municipal right-of-way. In response, Tillsonburg Town Council is proposing a new **Municipal Right-of-Way By-law** to govern the use, protection, and regulation of municipal road allowances, including roadways, boulevards, municipal parking lots, and walkways under the Town's jurisdiction.

Most Municipal Right-of-Ways are road allowances, parking lots, etc. owned by the Town where a road, curbs, sidewalks and utilities are located including the grass areas between the road and private property lines as highlighted below.

Key highlights of the proposed by-law include:

- Restrictions on placing materials, equipment, or structures within the right-of-way without authorization.
- Prohibited activities such as damaging infrastructure, obstructing traffic or drainage, and depositing substances or debris.
- Regulations on vegetation, signage, lighting, and recreational equipment within the right-of-way.
- Prohibitions on tampering with water valves
- Driveway access and modification restrictions

The purpose of this by-law is to address ongoing concerns within the municipal right-of-way, enhance public safety, and provide the Town with additional enforcement tools.

A full copy of the proposed by-law and supporting documentation is available for public review at the **Town of Tillsonburg Customer Service Centre (10 Lisgar Avenue)** between **8:00 a.m. and 4:30 p.m., Monday to Friday**, and online at www.tillsonburg.ca.

For questions or to submit comments, please contact **519-688-3009 ext. 4611** or email ccyr@tillsonburg.ca on or before **August 29, 2025**.
