

Let's Talk Bridge Street!

What could Bridge Street look like in the future? How could the street be improved?

The Bridge Street Re-Imagining Task Force is working with consultants from SHIFT Landscape Architecture to develop a **Streetscape Plan** for the Bridge Street Right-of-Way and adjacent municipally owned properties.

Tillsonburg residents are invited to participate in the process by sharing their vision for Bridge Street, spanning from Rolph Street to Lisgar Avenue, to help reimagine future ways that Bridge Street's streetscape can be enhanced while ensuring a safe and leisurely pedestrian and traffic flow.

About the Task Force

The Bridge Street Re-Imagining Task Force consists of members from area businesses, community partners, property owners and Town of Tillsonburg staff. The Task Force is a community-based committee (not a Committee of Council) that has been tasked with reimagining Bridge Street's streetscape and adjacent municipally owned properties. The Task Force is not tasked with any private developments on Bridge Street.

Share your ideas for Bridge Street at the public engagement sessions:

- **Oct 7** - Tillsonburg Farmer's Market
- **Feb 2024** - Watch for details online www.tillsonburg.ca/bridgestreet

BRIDGE STREET
RE-IMAGINING TASK FORCE

SHIFT

Tillsonburg
