Loose Leaf Curbside Collection

The annual curbside collection of loose leaves is nearly completed and is anticipated to end on Friday, December 2.

If you missed your collection week, you can take your loose leaves to the Tillsonburg Transfer Station (50 Newell Road) for composting.

Winter Parking and Road Conditions

Residents are reminded that on-street parking is not permitted 2:00 AM to 6:00 AM from November 15 to March 31. You can learn more about winter road and sidewalk maintenance, including snow removal priorities, at www.tillsonburg.ca/snow

Sanitary Sewer Maintenance

Sanitary sewer maintenance will be completed in northwest Tillsonburg from November 14 until December 16.

The work will be performed on weekdays between 7:00 a.m. and 7:00 p.m. Affected neighbourhoods include Glendale, Glendale West, Oak Park, Woodland Estates, Lisgar Heights and Southridge. Get full details at www.tillsonburg.ca/sewer.

Please note high traffic areas may be flushed after 7:00 p.m. to ensure safety for contractors and residents.

During this work, a bubbling and/or vacuum effect may be noticed in your drains and/or toilets. If you notice this occurring, close all toilet seats and cover any floor drains during the flushing period. In order to prevent sewer gases from migrating into the home, it is important to refill all plumbing traps by running the water in your sinks and floor drains after the work is complete.
